Delivering Exceptional ENT Care is Only the Beginning!

You Make Great Care Possible

Your compassion and commitment to the Greatest Needs Fund creates immediate, meaningful impact where it matters most. Because 100 percent of every gift goes directly to supporting patients, families and staff, your generosity brings hope in moments of uncertainty and comfort in times of need.

Because of you, HonorHealth can respond swiftly to urgent priorities, delivering exceptional care, supporting our dedicated caregivers and ensuring that no patient or family ever walks their journey alone.

In 2025, through the Greatest Needs Fund, your visionary generosity helped ensure that every individual who walked through our doors received the highest standard of care and the opportunity to reclaim the joys of sound, smell and speech.

At HonorHealth, we envision a future in which our Ear, Nose and Throat (ENT) services serve as a beacon of excellence, offering comprehensive care, innovative treatments and compassionate support for patients facing a wide range of ENT challenges.

Together, we are strengthening our ENT program through investments in advanced technology and meaningful development opportunities for our care teams.

As healthcare systems nationwide face increasing challenges in staff development and retention, your support is helping us build and sustain an exceptional ENT team, equipped to meet the complex needs of today's patients.

From diagnostic imaging and allergy sampling to endoscopy recording systems, your generosity is also advancing the tools and training that empower our clinicians to deliver precise, compassionate care.

Simply put, your support strengthens this, and many other programs across HonorHealth, allowing us to provide the outstanding, high-quality care our community expects and deserves.

There is no greater gift than the gift of compassionate care, and it is made possible because of you!
